CODE FOR CONSTRUCTION PRODUCT INFORMATION

Current list of CCPI Assessed products and product sets

Each CCPI assessed product/product set is allocated a CCPI Assessed Mark which shows the product's unique assessment number and assessment expiry date. Below are examples of the CCPI Assessed Marks. Please note where a product set remains on the list with an exceeded expiry date this means the product set is in the process of completing its renewal assessment.

PRODUCT (blue)

SYSTEM (green)

Please note: **The CCPI Mark is for product information on specific products IT IS NOT A COMPANY MARK.** Completed CCPI assessment means: that **the product information and marketing**, for a **specified group of products** – 'a product set', **has been independently assessed to conform with the relevant clauses and minimum requirements of the CCPI.** It is not a guarantee and should not be used as such.
